PAKWACH DISTRICT LOCAL GOVERNMENT

PRESS RELEASE

29TH/APRIL/2026

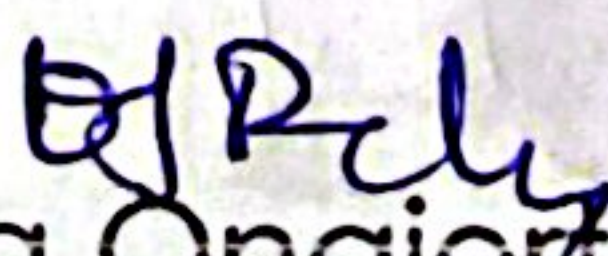

RELOCATION OF PAKWACH HEALTH CENTER IV

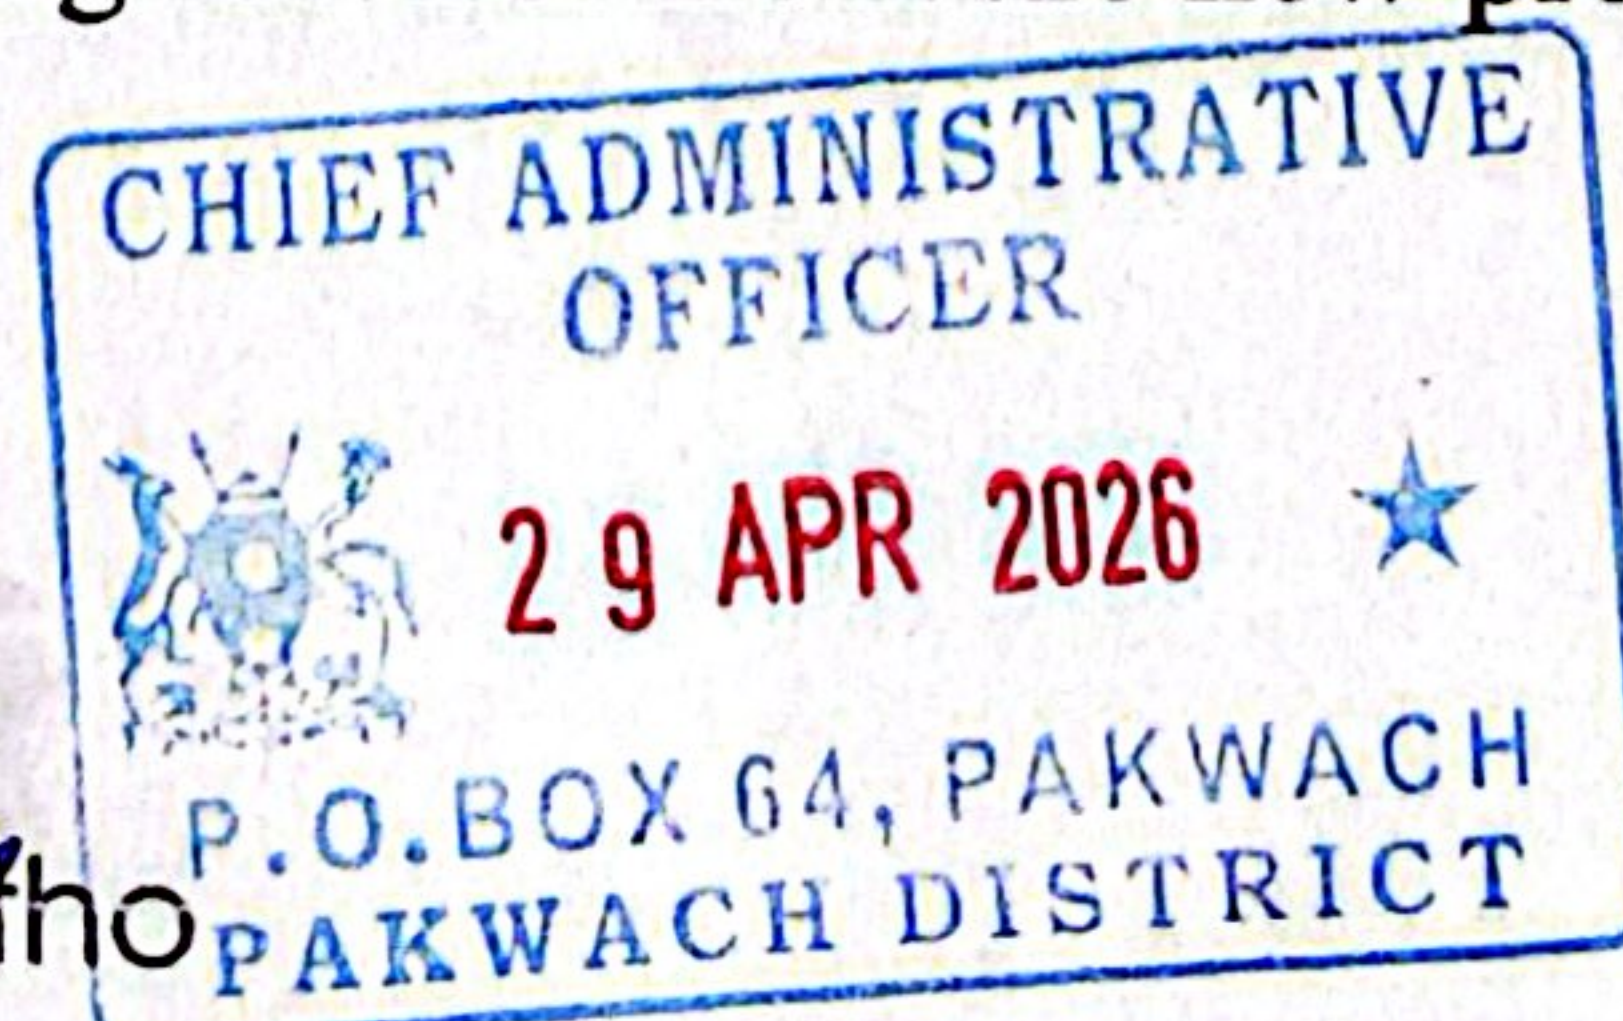

Pakwach District Local Government announces the relocation of Pakwach Health Center IV from Lubiri B Cell (old site) to Kapita Cell along Wadelai Road, next to the District Headquarters.

The relocation follows a 2012 recommendation by the National Environment Management Authority (NEMA) which declared the former site unsuitable due to its location within the Nile River buffer zone. All due processes were undertaken to ensure a smooth and compliant transition to the new location.

The district assures the Public that all medical services previously offered at the old site are fully operational at the new location without interruption.

Members of the Public are advised to take note of this development and continue accessing services from the new premises.
